

Uniform Voucher Policy

Uniform Voucher Policy – School Uniform

The Beckfoot Trust will provide Financial Support to families of students currently on free school meals. The request for support must be made in writing by the parent / guardian to the student's year group Pastoral Team including students full name, form and preferred uniform outlet. This will be passed to the Business Manager for assessment and eligibility will be based on the student's identified as eligible for free school meals.

Uniform vouchers will be valued at £40 and will be redeemable at Natasha's, Rawcliffe's and the Uniform Shop in Bradford. The vouchers will only be valid for the outlet specified by the parent / guardian on application.

In special circumstances, uniform voucher support may be provided to other parents / carers where exceptional need can be explained (e.g families moving into the area for the first time from abroad).

Parents and carers should note:

Before payments of vouchers can be made, parents/guardians will be asked for proof of identity, Photo identity is preferred and is the quickest way of obtaining identity verification. This identification will also be required when redeeming vouchers at the outlets.
