PREPARING FOR SUCCESS- CAREERS

All Year 11 students are entitled a careers meeting with our qualified careers advisor- we are working on the safest way to do this.

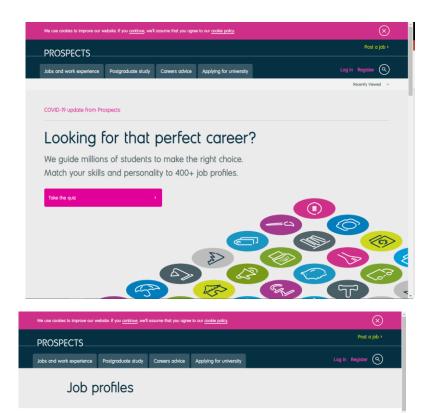

The following three websites will help you in doing your own research in different careers that may be right for you, and have resources for you to develop your skills.

If you know what career you would like to do, look at the entry requirements for that job. Do you need A-levels? A degree? What GCSE's do you need? This will help you make an informed decision for what path you take next year.

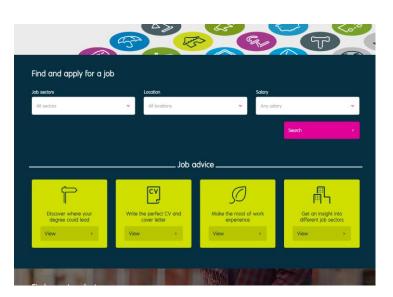

If you need any more help, you can reach me on <u>ild@beckfootthornton.org</u>

Best of luck!
