

Vocational Retail Business

In Retail Business, we follow the WJEC exam board syllabus. We aim to build knowledge, skills and experience which will allow our students to thrive as individuals in a modern, democratic society.

Knowledgeable & Expert Learner

- Sentence starters, scaffolding and success criteria for writing tasks
- Do Nows – focus on recapping and building knowledge of prior topics
- P6 to help consolidate knowledge and understanding
- Use of mark schemes and knowledge organisers to help to improve work

Confident Communicator

- Reading and answering 'loud and proud' in lessons
- PowerPoint presentations
- Primary research activity linked to assignments

Future Ready Learner

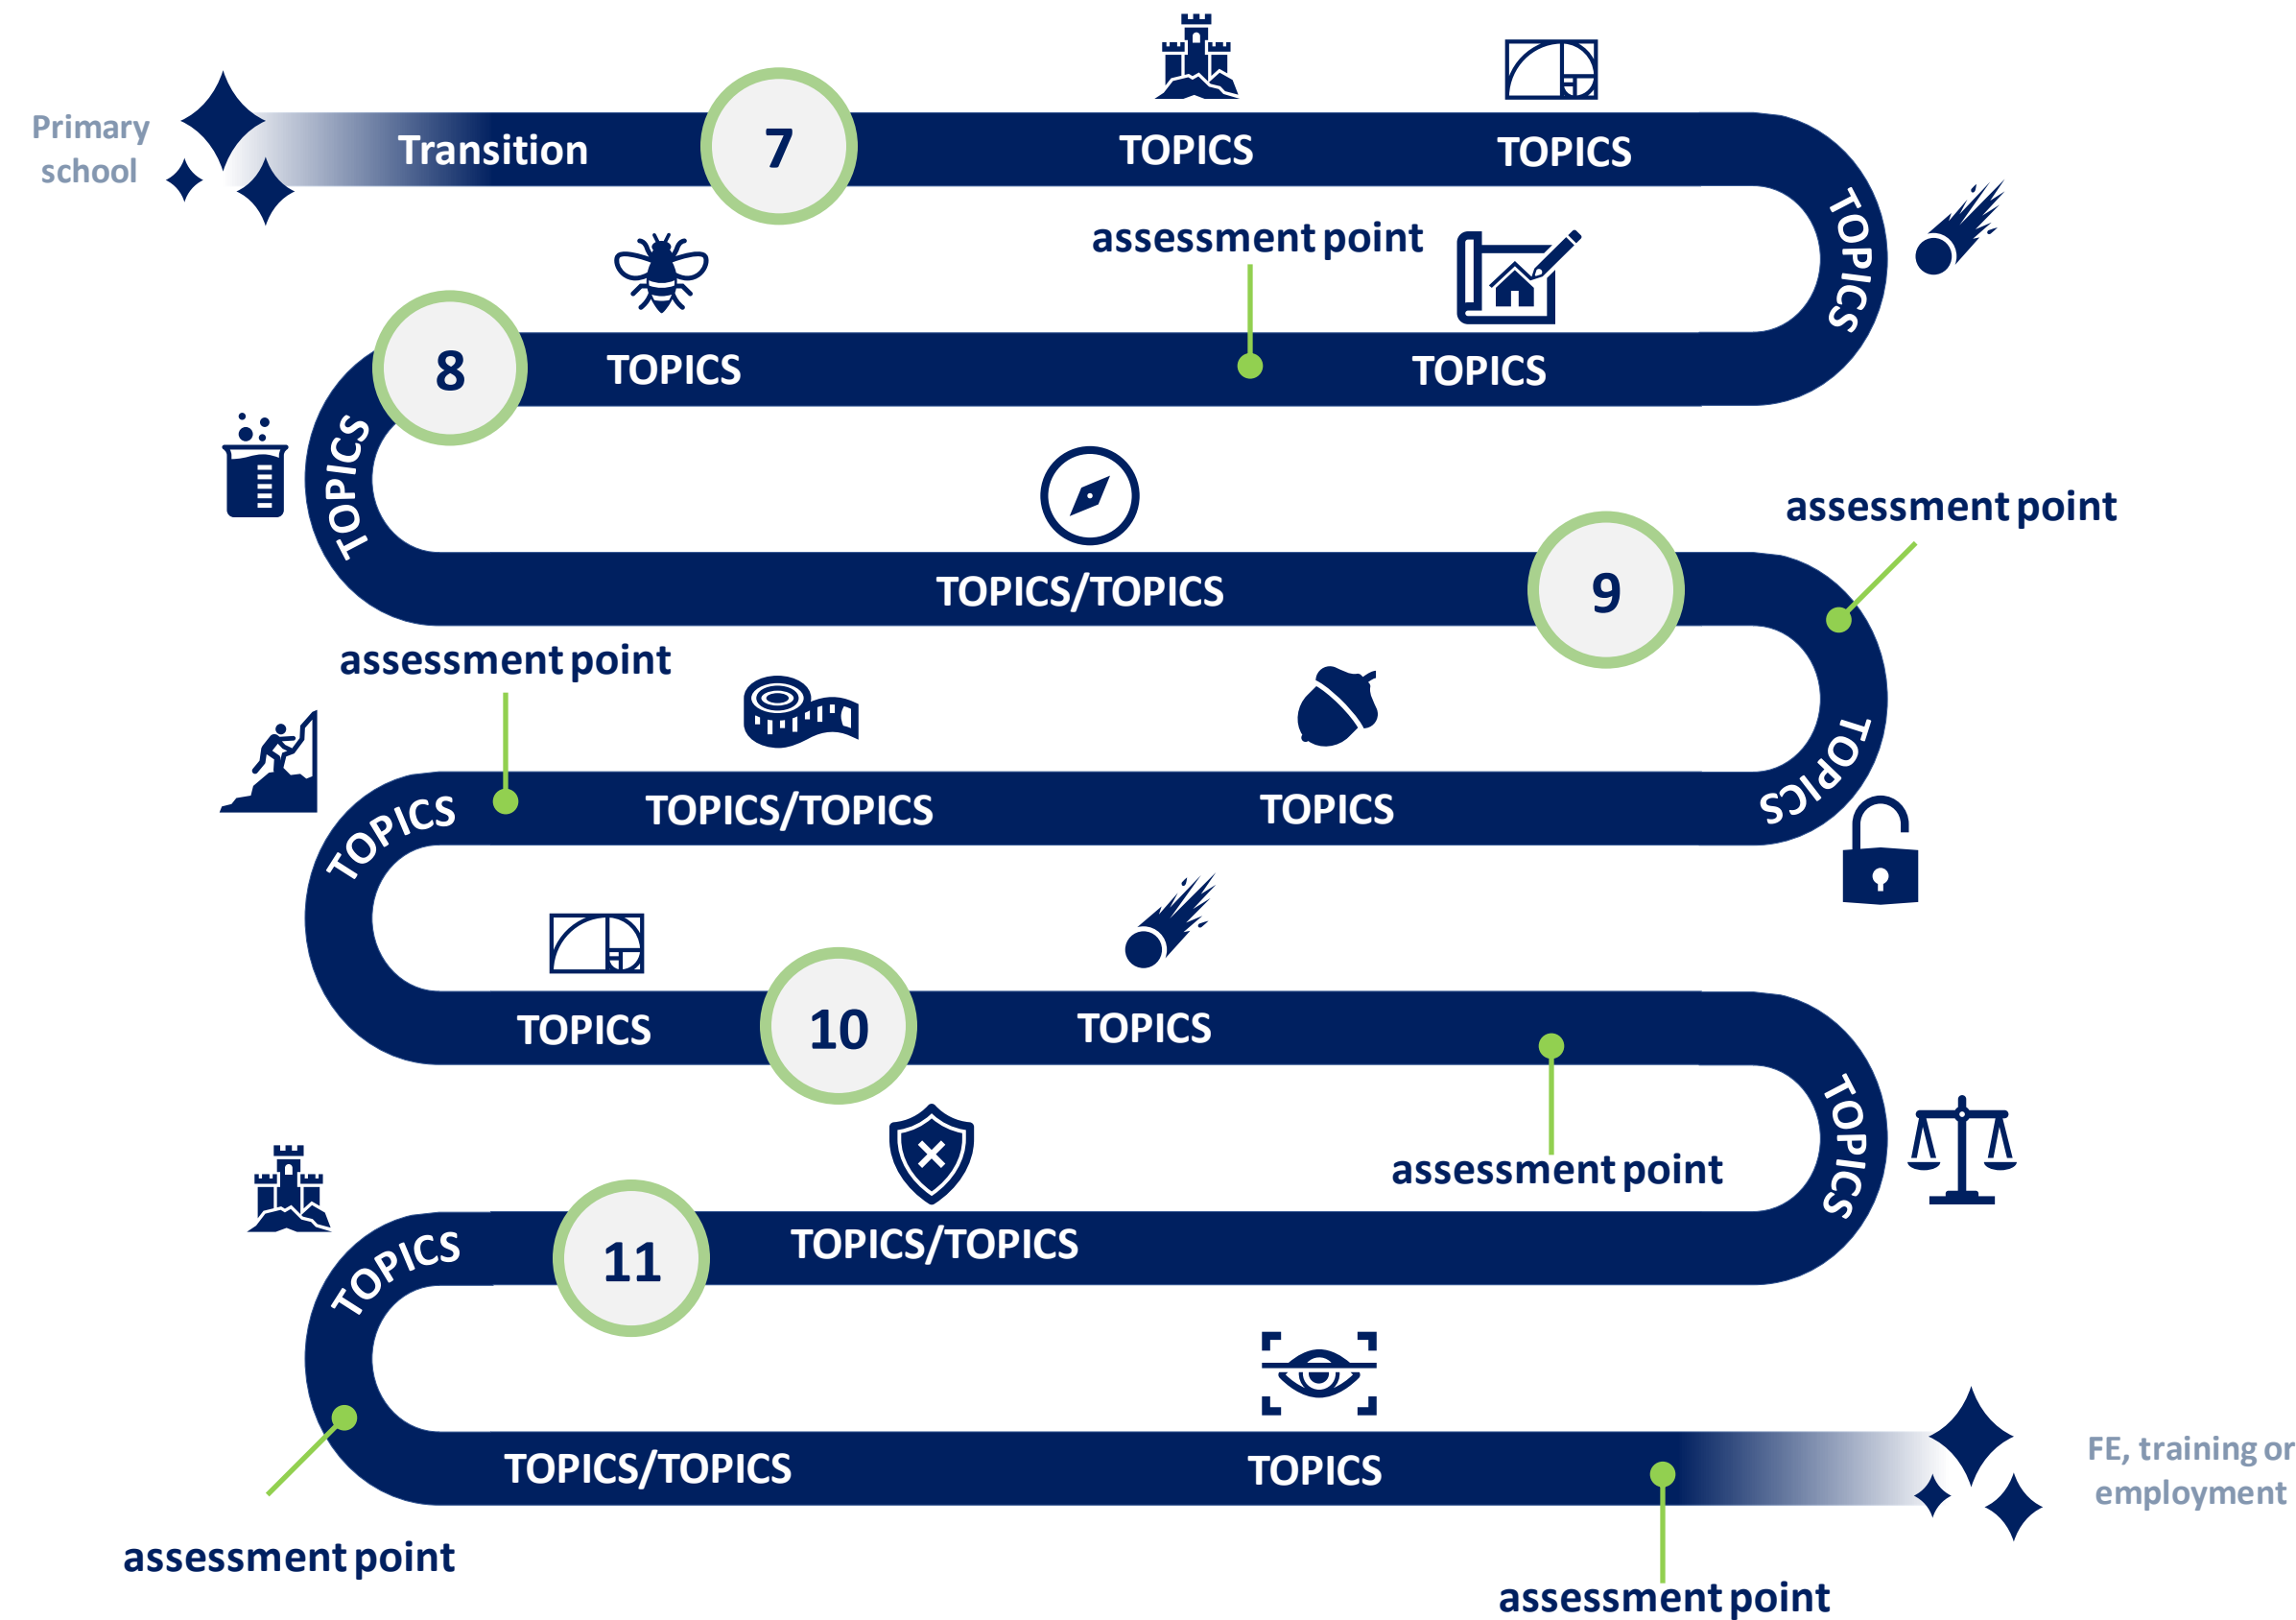

- Learning about the Economic Cycle, to increase awareness of elements such as tax, interest rates, government spending etc
- Student Investor Challenge, using live FTSE100 share prices
- Consideration of ethical and environmental issues facing retailers

Committed Community Contributor

- Vocational Retail Business assignment based on customer service at The Range
- The Economy – impact of tax and government spending on society
- Encourage reference to personal experiences, contacts and business links

No child left behind.
