

Music

In Music we follow the KS3 National Curriculum and AQA GCSE specification for years 10 and 11. We inspire our pupils to develop a love of all music covering genres and composers from around the world and across different eras. We build self-confidence and resilience through regular performance work and encourage the pupils to compose creatively within an ensemble as well as independently. Our pupils are given the experience to perform in front of peers and audiences within the local community, many having never visited a venue before we take them onto the stage!

- Knowledgeable & Expert Learner**
 - Y7 *Notation Theory/Composition*
 - Y8 *Reggae Ensemble Performance*
 - Y9 *Classical Solo Performance*
 - *GCSE Set Works Analysis*
- Confident Communicator**
