REUSE AND HELP CLIMATE CHANGE

WHILST ALSO HELPING YOURSELF!

We all know we need to turn lights off and not waste water but what about landfill...let's not forget about that! We need to reuse and recycle. Help us to become better at this by purchasing uniform from our 'seconds' shop. It will also help you to reduce the financial burden of buying uniform. It's a **win win** for everyone!

Email Mrs Beavers for more information on ryb@beckfootthornton.org

If you have any uniform that you could donate, please wash it and send it into school (you can hand it to reception or get your child to give it to their tutor)
