Students can wear PE kit which all has the school logo or are from family or friends who previously attended the school.

Students may wear additional layers during colder weather, provided the outermost garment is part of the approved PE kit.

If your child is injured and unable to participate in PE, please email medical@beckfootthornton.org and provide a note for the PE Teacher, clearly stating the injury. PE kit must be brought to every lesson even if the learner cannot participate in a practical capacity. Please see PE PLS for further information.

Following our governing body; AFPE (Association for Physical Education) and Bradford Council guidance, students must remove all jewellery for PE lessons. We cannot allow students to use tape to cover piercings as this does not sufficiently prevent injury. Any student that does not remove jewellery will still take an active role in PE lessons but will not be able to physically participate.
